CAREER OBJECTIVES

"I am a motivated graduate in Information and Communication Technology, eager to work in your organization. With a background in troubleshooting, routine inspections, and maintaining IT systems, I bring 2-3 years of experience in hardware maintenance, application development, and data migration. I am enthusiastic about applying my skills in software installation, cybersecurity, and networking to contribute effectively in this dynamic role. Committed to ensuring IT standards align with ISO requirements, I am excited about the opportunity to grow and make meaningful contributions to your team's success."
